Participation in E-Auction in QAD

- Access to the auction is done by clicking on the direct link that you receive by email from QAD (described as on the previous slide). You can also access to the auction by standard logging into your profile as a Supplier and find the auction in the "Home" (current events) module. By clicking on the link, the auction itself opens, where you can see all the set criteria.

The screenshot displays the QAD user interface. At the top, there are three navigation tabs: 'Home' (highlighted with a light gray background), 'Sourcing', and 'Activities'. Below these tabs is a horizontal line. Under the line, the word 'Dashboard' is underlined in blue. Below that, the text 'Please note' is followed by 'No current banners.' Another horizontal line follows. Below this line, the text 'Current events' is displayed. A red arrow points from the text in the first paragraph to the 'Current events' section. Below 'Current events', there is a list of events. The first event is '1. SMI-2405240002: Test Auction 24.05.2024' with a sub-line 'Round: 27 May 2024, 10:00 - 27 May 2024, 15:11'. Below the list, it says 'Number of current events: 1'. At the bottom, it says 'Number of results displayed: 20' and 'Last update: 27 May 2024, 14:53:03'.

Participation in E-Auction in QAD – Cockpit

- **Cockpit** is where the auction is located and where your bids can negatively be decreased by you. The green message "**Running**" shows the remaining time of the auction. According to the step given in the "Main sheet", in the yellow rectangle you enter the price that you want to be next lower offered price and click "**Place bid**".
- "**Your Rank**" - The rank of your offer is marked with a number according to the mark. For the duration of the Auction you can decrease your offer as much times as you want. If the participant does not want to change his bid, he does not enter new bids and waits for the auction to end. The number of submitted offers is unlimited.

The screenshot displays the QAD Cockpit interface for an e-auction. The left sidebar shows a navigation menu with options: Home, Sourcing, and Activities. Under Sourcing, there is a section for 'Test Auction 24.05.2024' with sub-items: Main sheet, Cockpit (selected), Documents (0), NDAs, Bids (2), Messages, Chat, and Bidding. The main area shows the 'Auction-training Test Auction 24.05.2024' page. At the top, a green status bar indicates 'Running 04:10:14'. Below this, the 'Place quote' section features a 'Your bid' dropdown menu set to 'Aggregate'. A yellow input field contains the value '50.000,00', and a 'Your rank' field shows '1'. To the right of the input fields are 'Validate' and 'Place bid' buttons. The right sidebar contains a 'Time' panel with auction details: Time (05/27/2024 14:56:13), Start (05/27/2024 10:00:00), Preliminary end (05/27/2024 19:06:32), Time zone (Europe/Berlin), Extension (3 min.), and Extension interval (Default). Below this is a 'Feedback' panel with a 'Filter entries' dropdown and a 'Test Auction 24.05.2024' section showing 'Aggregate' with a rank of '1' and a step of '2.000,00'. At the bottom right is a 'Chat' panel showing a message from 'Sasho Mitrovski' with the subject 'Prolong' and a timestamp of '05/27/2024 14:51:32'. The recipient is set to 'All (1)'. A 'Quit' button is located at the bottom right corner of the interface.

Participation in E-Auction in QAD – Chat

- **“Chat”** is an option for communication between the person responsible for the auction and the participant in the auction.
- “Chat” is functional and should only be used during the auction, if you have a problem or questions related to it. Sending a messages is doing as in the picture. The responsible person you should select in the “Participants” section, while you write the message in “Message” section. It is sent by clicking “Send”.
